

The Helmut Grünberg

YUKON BIRDATHON

FEATURE BIRDERS SELENA BOOTHROYD & SCOTT WILLIAMS

Selena & Scott have been active members of the Yukon Bird Club since they moved to Whitehorse in 2008. Scott has served on the Board of Directors since 2012 and was editor of the *Yukon Warbler* in 2012-2013. They are enthusiastic participants on field trips, the Whitehorse Christmas Bird Count, and other events. Scott and Selena recently became life members, further demonstrating their commitment to Yukon birds and conservation. These two are also very active volunteers in a host of other community organizations. Many of you will be familiar with them because they seem to turn up at events and meetings everywhere! YBC thanks Scott and Selena for their ongoing contributions to the club and we wish them a happy and fruitful 24 hours of fun during the 2017 Helmut Grünberg Yukon Birdathon!
